II. Preface/ Background

Administration Department was bifurcated from Personnel Department in 1975 due to an increasing need for a separate Department to cater for diversifying human resource services/operations and a variety of allied services vis-à-vis the rapid expansion in Company's operational network.

a. Introduction

Aim of the Department is to create and maintain a disciplined working environment conducive for smooth and streamlined operations of the Company. The department performs the role of facilitator as well as controller both for human resource and logistic support services. The primary interface of the Department is with Company employees. However, owing to the nature of its functions, it also deals with public as well as different kinds of service providers. For both types of inter-actions, the Department emphasizes upon its staff to be courteous, facilitating and cooperative in discharge of their official functions.

In order to educate the Admin staff, a Working Manual has been prepared laying down details, of various functions & procedures. It is expected of all staff members to adhere to the provisions of the Manual to ensure the implementation of policies and procedures and to safeguard the Company's interest.

b. Organogram

Administration Department is headed by a General Manager, based in Head Office, who reports to Senior General Manager (HR) and is responsible to devise policies and procedures for implementation by the Department. In all the Regions, the Department is represented by Admin Sections under supervision of Sectional Incharges who are administratively as well as functionally responsible to the concerned Regional Head. The Admin Sectional Incharges in Regions also represent HR Department to the extent of certain human resource services & operations. Oraganogram is attached as Annex- II(b)

Without such report to HSE Department, Admin Department will not forward the intimation of accident to Accounts department to lodge insurance and will also not process the medical bills of the injured employee.

2.13. Overtime

Overtime will be strictly controlled as per policy conveyed by the Managing Director vide memo no: P.24/1 (A) dated 10.12.2013 which is reproduced as under:

i. Each staff member who is required to perform overtime in connection with Company's business will be issued an authorization slip by the concerned Sectional Incharge for each working day where the anticipated overtime is less than 2 hours. However, where the expected late sitting is beyond 2 hours, prior authorization of the concerned HOD/Regional Head would be necessary.

ii. The concerned staff member shall ensure that he gets his overtime claim signed by the Sectional Incharge/Regional Head / HOD as the case may be, on the very next day on which the overtime was performed. Presentation of overtime claims for signatures at a subsequent date or end of the month will dis-entitle the claimant from securing the signatures of the concerned executive.

iii. Overtime for less than 2 hours may be signed by an executive in Grade VI or below, whereas, for overtime beyond 2 hours, signatures of an executive in Grade VII or above shall be mandatory. However, in departments, regions or sub-regions where no Grade VII or above executive is posted/available, the Departmental/Area/Sub-Area Incharge is authorized to sign, regardless of his grade.

iv. All office staff leaving Head Office, Regional Offices, Workshops and Stores and having worked overtime beyond the notified hours, shall be required to sign the 'Gate Register' for that day, indicating the exact time of exit, his name, registration number, section/department and signatures.

v. Biometrics system generated time sheets shall replace the manually maintained gate registers for verification of in / out time with regard to overtime payment at all such locations / Company officer where the devices have already been installed or will be installed in future.

vi. In the Regions, such field staff, who is required to perform office duties, in case of working overtime, shall also be obliged to sign the 'Gate Register' on leaving the office like their other office colleagues. Regardless of their designations (indicative of field duty staff), they shall only be entitled to overtime on office timing basis at the rate applicable to office staff, for the duration they are required to perform office duties instead of field duties. The

concerned Sectional Incharge will indicate “office” or “field duty” on the overtime claims of such staff before signing the claims for any day.

vii. The field staff will be required to meet the minimum production level prescribed as per their respective Work Norms. However, field staff for which work norms have not been notified / fixed (e.g. maintenance crews, pipeline attendants etc.) shall be required to return to their respective Regional/Sub-Regional Offices after each day’s work and sign the Gate Register. Those not fulfilling this requirement shall not be entitled to claim any overtime for the relevant day.

viii. For working on week-ends / holidays, prior written authorization of the HOD/Regional Head as the case may be, shall be mandatory.

ix. The Sectional Incharges before counter signing the overtime claims for any particular day, shall always ensure that the reasons for working overtime are duly incorporated by the claimant in the column specified for the purpose in the overtime claim form.

x. At the end of each month, the Sectional Incharges will cross check all overtime claims for each entry and compare it with the authorization slips issued to the concerned employee during the month and forward the claims thereafter to the HOD/Regional head for countersignatures. He may, if deemed appropriate cross check the claims with the Biometric/ Gate Register maintained by the Admin Department.

xi. The overtime claims after countersignature by the HOD/Regional Heads shall be forwarded to the concerned Admin Officer for tallying the attendance record and gate register entries / Biometric time sheets with the overtime claim. On satisfying the above requirement, the Admin Department shall forward the claim to the Accounts Department for computation of the overtime hours/amount. Thereafter the departmental summary of overtime (prepared and initiated by the concerned department) alongwith individual claims shall be sent to the Payroll Section for disbursement of payment along with salaries.

xii. Immediately after disbursement of the payroll, the IT/MIS Department shall on a monthly basis, generate a Department/Area wise statement on section

wise basis by the 5th of ensuing month, in which amongst other, the particulars of employees allowed overtime beyond 25% of their basic wage as well as the aggregate expense of the department/section against overtime provision viz-a-viz budget allocation for the month shall be given. These statements shall be forwarded to concerned Admin Department who shall forward these to respective Departmental/Regional Head along with their comments, if any.

xiii. In case the aggregate expenses of any department/region exceed the 25% Finance department will check limit at any point in time during the financial year, the concerned HOD/Regional Head shall be required to immediately obtain Management's approval with full justification for special dispensation for the slip over and solicit formal sanction of additional amount to cover subsequent period up to 30th June of that year. The sanction thereof is more likely to be denied except in compelling circumstances only. In any case the obligation to achieve the annual targets within the budget allocation will be sole responsibility of the HODs/Regional Heads regardless of any additional sanction or otherwise.

xiv. All HODs/Regional Heads, Incharges of Transmission offices, Workshops etc. shall ensure that in no way, the annual expense against overtime payments exceeds the budgetary limit of 25%. For this purpose, all concerned are required to put in place a system requiring all staff reporting to them to complete their official work during notified timings and also that duties are assigned to them in a manner that all members of staff are fully occupied during working hours so as to eliminate possibility of performance of work slipping over into extra time.

xv. Starting time of Overtime for Drivers and Staff attendants will be 30 minutes after close of office hours whereas Overtime of all other categories will be started right after close of office hours. Staff attendants and drivers are required to report 30 minutes prior to start of office hours to carry out office and vehicles cleanliness respectively for which they may be paid overtime.

xvi. Working hours shall be as published by the Company from time to time. The Company is entitled to fix office timings requiring its employees to work upto maximum of 9 hours on any working day or maximum of 48 hours in a week.

xvii. In case of the staff members assigned standby duty, overtime will be admissible only for the time actually consumed in office duty.
