Introduction:

SNGPL regards its employees as a valuable resource and accordingly assigns a lot of importance to the well being of its employees and their families. The Company fully realizes that medical benefits give employees the peace of mind so as to focus on their job functions without having to worry about financial risks in the event of sickness or injury. Medical coverage forms integral component of the total *reward* package offered by SNGPL, in keeping with its stated compensation philosophy of offering a balanced and competitive remuneration**.** To this end, SNGPL provides coverage for the cost of medical treatment for all serving as well as retired Company employees. The basic theme of medical facility is to assign a medical officer for each family who acts as family physician for each family member and is well aware of their medical needs. The employee/dependent visits assigned CMO as per his medical requirement and after assessing his ailment Company Doctor prescribe the required medicine or refers the patient to required specialist. The patient after visiting specialist purchase medicines and the same are countersigned by Company Doctor to ensure exact quantity/potency. Accordingly, all medical policy rotates around the CMO which acts as family member of SNGPL employees associated with him.

A. EXECUTIVE

1. An executive and his parents, Spouse and unmarried dependent children up to the age of 25 years. Medically incapacitated children may continue to avail the free medical facility till the life-time of such a child after Management approval.
